Our Government Leaders

– serving in municipal, provincial and federal government (1 Tim. 2:1-2)

We are looking for **enthusiastic volunteers** that want to build into the lives of our children through our Sunday School, Children's Church, and Awana programs. Please talk to Pastor Mark, Cheri Klassen (Children's Church), Mark Toews (Sunday School) or Jonathan Peters (Awana).

Adult Sunday School is taking on a new look this year as we have decided to provide three different options for adults to participate in to cover a wide variety of topics and teaching. We will be dividing up the Sunday School year into two month blocks and offer up to three different

classes featuring teaching by a variety of people. The goal is to provide sound Biblical teaching that is applicable to our lives in a setting that is discussion oriented so that we can learn and grow together. For the months of Sept-Oct the classes offered will be:

Bible Translations: learn some of the history of Bible translation and discuss the choices we face in our selection of personal Bibles today, taught by *Pastor Randy*.

The Gospel of Mark: studying the life of Christ and how we can be challenged to walk in obedience, taught by *Pastor Mark*.

Stewardship: learn principles of good financial management and how we are called to be good stewards of the gifts God has given us, taught by *Kenton Derksen*.

These classes are open to anyone that is post high school or older. We hope that you feel welcome to join us for this time of teaching
