Dan & Melissa Whitcombe - Beyond Ourselves - Zambia

Pray – We are working together with the Zambian government to run a pilot of a phonics program this year. Please pray for wisdom as we facilitate this, for continued favour with the government, and that this program would be used to increase literacy.

Praise - We thank God for a new Zambian team member that joined the Beyond Ourselves at the beginning of January. We are excited about all that she will bring to our team and the schools we partner with.
