Two Necessary Qualities for Godly Influence

Second Corinthians 1:12-14

1. The importance of a clear _____. vs 12
 - In the world, and
 - In our relationships with fellow believers

A conscience is “both a capacity and inclination to judge his (our) own behaviour on the basis of a standard of right and wrong.”

How do we nurture a holy conscience within us?

2. The practice of clear _____. vs 13
2 Peter 3:14-16

How do we try to practice clear communication?

3. The RESULT of a holy conscience guided by God’s grace, and clear communication can be a growing trust in each other, as we work together and look forward to the day of the Lord Jesus.

Our Mission
