**"Living Generously"** - Often we identify generosity with money. It can seem to be only about money but that illustrates how much money dominates our thinking. This 5 week series introduces the Donovan family as they journey toward the fullness of life found in giving! Living Generously begins their story as they are challenged with the question, *"Are you giving God your first and best or are you giving God your leftovers?"* Living Generously will challenge our community to examine our own hearts as we think about giving God the best of all of we have to offer with our time, treasures, talents, & testimonies. Related Bible studies in each class will help us discuss and grow in our awareness
