"Living Generously" - This 5 week series introduces the Donovan family as they journey toward the fullness of life found in giving! Living Generously begins their story as they are challenged with the question, "Are you giving God your first and best or are you giving God your leftovers?" Living Generously will challenge our community to examine our own hearts as we think about giving God the best of all of we have to offer with our time, treasures, talents, & testimonies. Related Bible studies in each class will help us discuss and grow in our awareness

We invite you to check out the results from the music committee survey that was conducted a few months ago on our church web site under the "resource" tab and then click on the "**music survey results**".

Praise & Prayer Highlights

Allan & Kimberly Peters – Streetlight – YFC Calgary

PRAY FOR...

- Favour and open doors with the City of Calgary & Bowness Community Association - in February it was announced that a permanent community skate park is being opened approximately 100 feet from one of our Drop-In Locations in summer 2017- our hope is to be able to shift resources and support the youth this will attract, the city, the community by being a stable presence as well as attract staff and volunteers who have a heart to reach into Calgary's skate culture which is very closely tied to the homeless/at risk community we already serve.
