

# January 2022 Praying for the Pembina Valley

In this time of fresh starts, commit to daily prayer for our community and churches.  
And as the Lord brings issues, concerns and others to mind, bring them before Him!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						The Lord to reveal His love in a new way, and to do a new thing in you in 2022
The Body of Christ would love and serve the least of these in our community	The fullness of joy and peace in your heart	Healing, comfort & hope for people grieving, living with trauma, addiction or mental illness	The Pregnancy Care Centre and their work across the region	That the Lord would reveal the sinful places in your heart & mind, repent and invite His redeeming work	Favorable weather and conditions for the farmers	Community ministries to impact lives with the gospel & meaningful help
Unity and love in the Body of Christ across the Pembina Valley	Wisdom for local, provincial and federal governments to lead in ways that honour the Lord	Listen for the Holy Spirit to lead you in prayer today—what is He showing you?	For eyes to see and ears to hear—salvation for those who do not know Jesus Christ as Lord and Savior	Schools, teachers, students, homeschool families & the Dept. of Education	For the Lord to mercifully bring an end to the pandemic	Emergency services: fire, police & ambulance
We would demonstrate God's love & value for human life at all ages, stages and abilities	Husbands and wives to grow in love and unity, serving the Lord together for His glory	A mighty moving of the Holy Spirit across the Pembina Valley—convict, guide and protect us	Church leaders to hear the voice of God and lead with humility and faithfulness	For a deep love of, and commitment to, God's Word	Youth pastors – for passion and creativity in pointing young people to Jesus Christ	Moms and dads, that they would love and nurture their children in faith
Pastors to serve, lead and preach for God's glory and the advancement of the Kingdom	For strength in temptation and a desire to be holy and blameless before the Lord	People in your workplace, neighbourhood & community—who needs to hear the gospel?	The hospital, elderly care homes, clinics, medical staff and the BTHC Chaplain	That the Lord of the harvest would send workers to every people group in every corner of the world	That your heart is humble before God, ready to say yes to anything He asks of you	Faithfulness to the end for you & the generations after you whether He calls you home or returns in glory
Your congregation to be salt and light in the community	Generosity in your love, time and giving to others
