MISSIONARY OF THE MONTH

Joel & Margaret DeHart

Things in Greece seem to be in going into further lockdowns. There is an encouraging report from OM Greece about the refugee work and the Connect Centre where we plan to be teaching English - in God's timing. While we wait in Canada we carry on with our online ministry of dictionary editing [letter R is done] and teaching English. We are also grateful for various opportunities to answer questions from some younger people investigating cross-cultural work. And, we are praying for opportunity to meet with Pashtun people in our new community of Woodstock, Ontario.
