We will be offering two options for **adult SS classes** starting **today**. One of the studies will be a chapter by chapter study of the gospel of John lead by Jakob Toews and Brian Derksen and will take place in the MPR (beside the sanctuary). This study will examine the life of Christ as recorded by John. The other study will take place in the youth room and will be led by Pastor Mark and Jonathan Peters. We will be looking at a variety of Scripture passages that deal with the topic of discipleship. This class will include a short (6-13 minutes) video entitled The Anatomy of a Disciple.

Today we have photographers in the Multi-Purpose Room ready to snap a quick photo for all of you that do not have a photo in the directory. Please take a minute out of your day to get this done after the worship service.

Praise & Prayer Highlights

Nixon & Chasity Katabira

Global Outreach Mission - Uganda

Pray – That God would give us guidance and wisdom as we move forward with the ministry.

Praise - We have a great leadership team in place to keep things running well while we are away and God has been using them in schools and prisons. And we've seen a number of young people come to know the Lord.

Grace is still in hospital she had two wounds, one is healed but the one in her thigh is still being treated. I am writing to express our gratitude as a family to all those who participated in raising the money and not forgetting those who prayed for the success of the fundraising. We are thankful. The money will help us to clear the hospital bills. God bless you all. We shall inform you immediately when Grace will leave the hospital.

- *Grace & Elijah Muinde*

Thank-you to the church family for your prayers and cards after the passing of our step-mom and grandma. They were much appreciated.
