## Missionary of the Month Elijah & Grace Muinde

I am thankful, I have five churches which I am overseeing, three of them can pay their Pastors in a small way. The remaining two are just surviving to make ends meet. I do share what I get. They are separated from each other. The Pastors started the churches from scratch. Pray for them because they have children in school and are paying school fees. We believe that the good Lord will supply their needs not wants. He is a merciful God and knows their needs. That is the reason why He told His disciples not to carry purses. My family is doing well and are in good health. That is something to thank the Lord for. Thank you & bless you Bethel.

Grace and Elijah Muinde
