Praise: The Lord provided for the school to buy a 20 passenger bus, so we can now pick up more students! In December we moved into our first permanent building! A local youth group came and built 4 classrooms into a shop and the kids are so excited to have their own classrooms! The people in the mountains look forward to our monthly visit and more are coming to exchange arts and crafts for dry foods / goods, which means more people hear the gospel as we always share a Biblical message before opening the "store". Praise God for our amazing directors, Nathan and Rose Friesen, who are working incredibly hard to organize and establish the ministry! **Prayer:** Pray for our teacher, Carolina, as she lost her grandmother this past week. This is the second family member she has lost in the past 5 months and it has been quite hard on her. Pray for the new students that will be entering February 3rd, for a smooth adjustment and wisdom for the teachers. Pray for wisdom with a few students who need special help due to learning disabilities / behavior problems. We are seeking the best way to help them, but due to limited staff and resources, we have not yet been as successful as we wish to be. Pray for the future of Oaks of Righteousness, that God will continue to provide the teachers, training, finances and students to continue reaching the Tarahumara community.
