Hello Bethel Church Family! We are so thankful for your support and prayers, what an encouragement. Our youth group has steadily grown over the last year, going from 9 to around 22. Praise God for the group of Tarahumara families that we meet with on a weekly basis for a bible study. As we go through the book of Mark, it is beautiful to see these new Christians understand the gospel, asking questions and getting excited about their relationship with Jesús. Please pray that God would continue to fan this flame in their hearts, would continue to give them a deeper understanding of His word, and give them a desire to share the gospel with their family and friends, as they are the greatest tool to reaching their own culture.
