Extend Christ's Love

### Missionaries of the Month:

**Elijah & Grace Muinde – Kenya**

#### Prayer Item:

We are doing well in Kenya. The Church is doing well. We opened the school and have started well.

I needed more than fifteen pupils in grade seven to enable the school to be registered by the government as a center for Examination next year when the pupils will be sitting for Examination to high school .Because I had twelve pupils in that class and with that number it could not be registered as a center, I had to advertise for the vacancies to fill up for the deficiency.

I got more than ten applications from total and partial orphaned children who are interested to join our elementary school. I had to select ten of the many applicants who got the highest marks among those who came for the interview. The qualification where that:

- 1/ Total orphaned child or a partially orphaned child and financially needy one.
- 2/ To be able to get more than three quarters of verbal and written examination.
- 3/ A report of a good character from the school he/she was schooling.

Many of those who failed our questions left for their homes crying for they wanted to join our school for through your help, our school is well build and have employed enough and qualified teachers. And also when they pass grade eight exam with good marks they will have many sponsors in high school.

Pray, that I shall be able to sponsor with finances these kids whom I admitted Secondly pray that these kids would not commit suicide for there have been many incidents of such happening in Kenya. For some I turned away could improve their marks if they got into a good school like the one we have.

Children have realized that private schools are doing well because teachers are not understaffed like government elementary schools and with a large population in the government schools; teachers are not able to reach every child.

Please ask the congregation to pray for the to enable me to know what to do in feeding and taking care of these ones I have admitted. Right now they are sleeping in our house. I have bought the needed books and school uniform.

Bye for now and God bless,  
Elijah and Grace Muinde.
