Pray - Please pray for wisdom as our work within the Zambian Ministry of Education. We have several really exciting open doors at the moment that involve writing curriculum and training teachers in Jolly Phonics in colleges and universities. Please pray for continued favour with the government and wisdom as we navigate the bureaucracy and often complex working relationships within the Ministry of Education

Thank-you to the team put together the LaborSTORY episodes we have provided for the past number of weeks. We will be taking a break from producing more episodes at this time and will be reviewing what the future programming may look like.
