Since January, we have been in the middle of many renovations and doing lots of upkeep (like painting and deep cleaning) making use of the slightly slower season that we are in. Our Summer Team have been busy preparing for summer already. Hiring summer staff, lifeguards, medical officers, and writing our Bible break lessons for the summer. We also just had our registration for campers open at the beginning of March. Our staff have also been busy practicing for our fundraising dinner theatre coming up March 20-22. **Pray:** for our summer camp leadership team, as they are hiring our summer staff, as well as for camper registrations. That we would be able to find medical officers and lifeguards for each week. For our Bible teaching, as we are writing our own Bible break lessons, finding object lessons etc. that we would be able to get enough donations in to finish covering the cost of our cabin bathrooms that we finished last summer.
