### MISSIONARY OF THE MONTH

#### Dan & Melissa Whitcombe

- We are grateful the Jolly Phonics rollout in our province went well at the beginning of this year. We trained about 1300 teachers in English Literacy and are excited about the impact this programme is already having in schools!
- Please pray for wisdom as our organization is growing. We need to hire another team member and expand our office space in the coming months. Please pray for us that we would have real wisdom and discernment as we make some important decisions
- Please pray for continued good health and safety for our family. We experienced some theft on our yard at the end of 2021, please pray for protection over our family and our home.

Thank you SO much for praying for Dan's work permit this week. We just got word it's been approved!!
