Missionary of the Month

Adria Toews

Lets continue to pray for Adria Toews as she serves at Winkler Bible Camp. **Praise:** Our staff team is growing this month with our spring team (made up of mostly college and university students) joining us in preparation for the busy season up ahead! This season brings with it so many possibilities for ministry to people who might never set foot in a church, and we want to be faithful with all of the opportunities that we have to show them our great God and His great love for all! **Pray:** Please pray for our Spring Team! That they would be able to connect well and feel part of the team quickly! Summer Team Training will be happening on May 9-11. Please pray for Steve Zacharias as he will be our keynote speaker. This weekend is about pouring into our Summer Team, encouraging and challenging them to prepare for the summer months. We are building new cabin bathrooms and hoping to have it completed this month! Please pray for this large project, that it can be completed on time before they are needing to be used. We are also still fundraising for this project so please pray that all the financial support will come in for it!
