MISSIONARY OF THE MONTH

Rob & Jen Derksen

This week we will be traveling to South Dakota to spend time with the Derksen family. We are excited to finally get to see everyone since it has been 3 years since we have all been together. Please pray for safety for everyone's travel and that this would be a great time connecting as a family. Rob has been working on several oral Bible projects. One of the reasons we are moving to Southeast Asia is that 90% of unreached people are oral learners who don't have a written language. Most of these people live in Southeast Asia and they deserve to hear the Good News! There is a lot that goes into making an oral translation of the Bible and into crafting Bible stories for the God Story discipleship school. Rob works with 5 different mission companies weekly all over the world on these projects. Pray for God's wisdom and guidance as we choose the right words and that people who hear and use these stories will be impacted by God as they hear and learn His word. Thank you so much for praying.

Love, the Derksen Family Rob, Jen, Elli, Seth and Zane
