## Missionary of the Month

### *Rob & Jen Doerksen*

---

Rob recently returned from a training he helped run in Malaysia where we had 25 participants learning about how to do Oral Bible Translation. Several have already committed to helping work on translations in their own languages. Rob has 3 weeks of teaching in the next 5 weeks: 2 weeks will be in Chiang Mai and one week in Sri Lanka. We are trusting that through this teaching people will have a deeper relationship with God and a passion to share the gospel in their communities. **Pray for** more oral Bible trainers in the South Asia region. The opportunities are way beyond what I can do. India alone has the largest demographic of unreached people and many locations are asking for orality training. In January, I have 4 locations that are all wanting training at the same time: Sri Lanka, Nepal, India, and Malaysia. I currently have 1 other member in my region that I am training. Please pray for the right partners to be trained who are able to help train others in this region. This is an issue in other regions of the world, as well. "The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields." *Matt. 9:37-38*
