1. Transformation is a key component of the Gospel at work in us.
John 3; 2 Corinthians 3:16-18
2. Be careful of the altar of “What can I get away with?”
3. Transformation is to be a continuous process for every believer.
Romans 12:1-2; 2 Corinthians 3:18
4. How do we design this ministry to help others understand the principle of continuing transformation?

MISSIONARY OF THE WEEK

Winkler Bible Camp

It is so exciting to share what God has allowed us to be a part of this year! Coming into 2021 we were unsure what summer camp was going to look like, but we were committed to having children at camp this summer. When we finally got the green light to run day camps, ten days before camp started, we were ready. As we planned and ran this summer the words of Jesus, as found in John 13:34-35, came to mind often, "A new command I give you: Love one another as I have loved you, so you must love one another. By this everyone will know that you are my disciples if you love one another." This is it - as we have been loved, we are to love! This is our heart at camp, that we will demonstrate the love of Jesus in such a way that people will encounter Jesus. This is what we strive for daily and what we seek to teach our young team members throughout the summer. It was so great to have campers back on site and their energy and excitement were felt by all. The campers were so excited to be back and were eager to get involved in the activities and relationships. When asked what they learned about God, many of them shared that they now know that they are loved by God and that He will always forgive them. It is these truths that we desire to impart on each camper!

- Pray for those with leadership responsibilities in our region, province and nation. 1 Timothy 2:1-3

"Look up, you whose gaze is fixed on this earth, who are spellbound by the little events and changes on the face of the earth. Look up to these words, you who have turned away from heaven disappointed. Look up, you whose eyes are heavy with tears and who are heavy and who are crying over the fact that the earth has gracelessly torn us away. Look up, you who, burdened with guilt, cannot lift your eyes. Look up, your redemption is drawing near. something different from what you see daily will happen. Just be aware, be watchful, wait just another short moment. Wait and something quite new will break over you: God will come."
