One generation commends your

MISSIONARY OF THE WEEK

Children's Camp International

Together with local churches in India, CCI-India mobilized a campaign called 1MillionMeals. CCI-India provides church leaders with rice, lentils, and spices. Church leaders use the food relief packages to cook and serve meals in their communities. Primary care is given to children and women. It costs \$0.50 to feed one person, so many churches have taken this opportunity to reach the underprivileged with the love of Jesus Christ.
