Missionary Spotlight

Ryan Thiessen

I've just come back from a 2 week recruitment trip where we were able to connect with some of our alumni as well as make new connections with a number of churches down south in Mexico, in the state of Oaxaca. Not only is it home for some of our alumni, but one of our adjunct teachers who teaches Evangelism comes from there as well. He plugged us into a number of churches in the area where he pastors, in the coastal town of Puerto Escondido. We were impacted in a number of ways on this trip, seeing many strong, small churches spread out throughout the mountainous countryside - evidence of the active missional mindset of many. Not only were many active in outreach, there was a palpable sense of their ongoing hunger for learning and growing - to which a number expressed interest in coming to CEC. We pray that a number would take the step to come and study this coming January! Please pray for Our alumni, as they continue to serve in their respective communities and churches. Pray for their continued growth and perseverance as they seek to faithfully follow the Lord in service. Our upcoming events including a missions module hosted onsite in San Carlos for Millar College of the Bible at the end of October. Pray that the students would be challenged in their view of global missions and the part God would have them play in it. For student applications as we continue to prepare and plan for the program in the new year—pray for both first year students and returning students to find the time and resources to join us in San Carlos.
