Thank you so much for your prayers for us at Winkler Bible Camp over the past few months! We had an amazing summer where we so evidently saw God at work, and we were able to share God's love to over 2,200 campers. Please continue to pray that the seeds that were sown in the campers will continue to grow as they move on from camp. Also pray for our summer staff as they adjust back into the rhythm of school and work again. We had 15+ people from our congregation work at camp this summer which was so incredibly neat. Thank you church family for your support, encouragement and prayers throughout the summer!
